# Global Reporting Initiative Index

2025/26

## Statement of use

This document explains our methodology for collecting and calculating data that is reported in our annual Responsible Business Report; additional notes on the scope of our data are included in the Performance Data Appendix of our Responsible Business Report (both are available to download at [kingfisher.com/responsible-business](https://kingfisher.com/responsible-business)).

## Contents

|   |   |    |  |
|---|---|----|--|
| 1 | Statement of use                                | 10 | <b>Social topics</b>                             |
| 2 | <b>General disclosures</b>                      | 10 | Employment                                       |
| 2 | <b>GRI 2: General Disclosures</b>               | 10 | Occupational health and safety                   |
| 2 | 1. The organisation and its reporting practices | 11 | Training and education                           |
| 2 | 2. Activities and workers                       | 11 | Diversity and equal opportunity                  |
| 3 | 3. Governance                                   | 11 | Non-discrimination                               |
| 3 | 4. Strategy, policies and practices             | 11 | Freedom of association and collective bargaining |
| 4 | 5. Stakeholder engagement                       | 11 | Child labour                                     |
| 5 | <b>Material topics</b>                          | 11 | Forced or compulsory labour                      |
| 5 | <b>GRI 3: Material Topics</b>                   | 12 | Local communities                                |
| 5 | 2. Disclosures on material topics               | 12 | Supplier social assessment                       |
| 6 | <b>Economic topics</b>                          | 12 | Public policy                                    |
| 6 | Economic performance                            | 12 | Customer health and safety                       |
| 6 | Anti-corruption                                 | 12 | Customer privacy                                 |
| 6 | Tax   |    |  |
| 7 | <b>Environmental topics</b>                     |    |  |
| 7 | Materials                                       |    |  |
| 7 | Energy  |    |  |
| 8 | Biodiversity                                    |    |  |
| 8 | Emissions                                       |    |  |
| 9 | Waste   |    |  |
| 9 | Supplier environmental assessment               |    |  |
